

The Rev. Canon Anne Mallonee

Objective

*To lead a diocese in the Way of Love,
building the relationship with God, with others, and with creation that Jesus makes possible*

Experience

**Executive Vice President and Chief Ecclesiastical Officer,
Church Pension Group (CPG) 2014-present**

Responsibilities

- Ambassador for the organization
- Establish, maintain and enhance the institutional relationships with the Episcopal Church, its agencies, and other constituencies
- Assist the CEO in establishing healthy, mutually beneficial relationships between CPG and the Episcopal Church and the Anglican Communion
- Chief advisor to the CEO and other senior leadership on all Church-related matters
- A member of the Executive Team
- Serve as chaplain to the Board of Trustees of the Church Pension Fund

Accomplishments

- Executive project sponsor for CPG's participation with the 79th General Convention of the Episcopal Church (2018)
- Contributor to historic revision of the Clergy Pension Plan through findings from multi-year listening process to discern emerging changes in ministry across the Episcopal Church
- Oversaw the year-long observance of the 100th Anniversary of Church Pension Group to connect CPG's ongoing commitment, to ensure sound retirements for clergy and lay employees of the Episcopal Church well into the future, with the original 1917 vision for the fund
- Executive project sponsor for series of four events entitled "Insights & Ideas: Centennial Conversations" to offer thought leadership across the country on two issues of interest to the Church and to CPG: *The Changing Demographics of the Church* and *Investing for Impact*
- Liaison to Lilly Endowment *National Initiative to address Economic Challenges Facing Pastoral Leaders* in partnership with the Episcopal Church Foundation (ongoing)

Responsibilities

- Senior Executive Officer for historic parish known for its significant role in the Anglican Communion, the Episcopal Church USA, the Diocese of New York, and in the City of New York
- Responsible for the Mission & Ministry of Trinity Wall Street, from the international signature programs (such as Trinity Grants and the Trinity Institute) to the day-to-day life of the local Trinity Church/St. Paul's Chapel Congregation. My remit was to build "a dynamic parish with a visible presence in Lower Manhattan"
- Led team of five program directors (both clergy and lay) who worked collaboratively, had aligned ministries across the parish, and expanded international impact while implementing financial efficiencies
- Managed staff of approximately 70 people (including the preschool) and a multi-million dollar operating budget
- Represented the Rector of Trinity Wall Street at Ecclesiastical and Civic functions as needed

Accomplishments

- Identified and recruited dynamic clergy and music staff to define important mission of the parish's St. Paul's Chapel in post-9/11 New York. Enhanced pilgrimage experience for 3 million annual visitors. Reconfigured the interior of the chapel for maximum flexibility, allowing for nimble, creative liturgy; a regular labyrinth walk; concerts, recitals, public forums, dramatic presentations and civic gatherings
- Participated in the Vestry's planning process resulting in the 2007 One Parish Strategic Plan. Position of Vicar was expanded to include responsibility for implementation of the plan. Led 2011 Mission Strategy Project to review progress and, with colleagues on the Senior Executive Team, to define final stages of implementation
- Led Mission & Ministry team in the Parish's response to the financial downturn in 2008, through pastoral care and practical offerings for the newly unemployed. Collaborated with long-time partners at the Psychotherapy & Spirituality Institute to offer professional counseling services. Began a multi-faceted programmatic exploration of the ethical questions that emerged from the recession and the Occupy Wall Street movement
- Promoted a new Director of Faith Formation and Education and called for immediate review and creation of new business model for the Trinity Preschool, resulting in the first year ever (in 25 years of operation) that the school did not require financial support from the parish

- Envisioned a vastly-expanded place for Trinity in the Arts and led search, identified and successfully called to Trinity a world-class conductor to lead Trinity's Music & and the Arts program. Immediate results included increased attendance at liturgies, stellar reviews in the *New York Times* for the Choir of Trinity Wall Street, a debut at Lincoln Center for the Choir of Trinity Wall Street and at Carnegie Hall for the Trinity Youth Chorus, and partnerships with major Arts organizations and artists from Washington D.C. to Montreal
- Led Faith in Action staff and congregation in the transition of Trinity's outreach, envisioning new ways for the parish to reach out to its homeless and hungry neighbors. New initiatives resulted in doubling the number of housing placements and engagement of over 100 volunteers through a brown bag lunch program, the opening of Charlotte's Place (the parish's neighborhood center), and partnership with the Alliance for Downtown New York and the Bowery Residence Committee for street outreach and volunteer training. The parish was poised and able to provide hospitality and care to the neighborhood during Occupy Wall Street and following Super Storm Sandy (both in 2012)
- Oversaw Trinity Wall Street's weeklong observance of the 10th Anniversary of 9/11, with daily liturgical, musical, pastoral, and educational offerings. Krista Tippett's public radio show, *On Being*, was audio cast live from St. Paul's Chapel in collaboration with Trinity. *The New York Times* reported that Trinity's offerings were "...a gift to the city"
